### REMARKABLE DAYS.

Succession of Terrific Storms and Hallroad Wrecks in lowe.

Dubuçus, Iowa, June 5. The last four days have been remarkable for great atmospheric disturbances in this vicinity. There has been a seccession of christe thunder storms, drengthing salafalls and violent gales of wind. The storm has had a torribie effect on the rathroads. There have been more than half a dogan wrecks in this vicinity within four days. Fortunately they were all freight irains.

HURON, S. D., June C Zack Hundley, charman of the Democratic State Centra Committee, was murdered by his son Fred last svening. They got into a dispute about putting down a carpet. Fred drew a revolver and shot his father dead. The

Columbia, 8 U., June 6. A large section of Humpton county was deluged by a dioud barth Wednesday. The crops i were baddy damaged and in many places the fields are perfectly bare and not more than half a buop can be made. It is impossible now to extensive the damage. Many places to the Chelon for "Ba-Tree Westerlay bare flowed by a life of the damage. Many places the fields are perfectly bare and not more than half a buop can be made. It is impossible now to extensive the damage. Many places to the Democratic by the contension of the place of any party, but steed about on his record and well known principles.

CLEVELAND LEADS

In the Chelon for "Ba-Tree Westerlay party of the Democratic systematics" of the Democratic systematics of the Democratics of the Democr

BALTHORY, Jone 6. 'A telegram re-ceived at the affice of the Saltimore and One Battroat this morning states that an engine and a private car were wiperad about twenty-live miles south of Batwood, on the Ohio Biver Railroad last hight. The ear rolled over the treate work, wretking a belly, and injured the follow-ing in addition to those stready published: Mt. Hauter, bruised chest and head in-tured; C. L. Williams, Superintendant, of the Ohio River Railroad, body brused about the body, and two colored porter; slightly injured. The car was badly dam-aged.

PARTY SLADSHTERED

By Drugken Indians. By Brankes Indians.

Benver, Col., June 6. Particulars have been received of the slaughter by drunken Cheyenne Indians of four members of a surveying party in Upper Green River county last Stunday. The Indians have been captured. The unlawfu, selling of whinkey by ranghmen to Indians was the primary cause of the dood.

CONVICTION APPIRMED

In the Flack Case.

NEW YORK, June 8. The Supreme Court at the general term today affirmed the conviction and scotence of Ext-Sheriff Flack. The two Finchs water recently convicted of conspiracy in procuring the divorce of Alder Flack from his wife. They were both under sentence and were out on stay of proceedings pending their appeal

ELMINA, N. Y., June 0. The most ter-rife thunser storm of the year prevalled here yesterday aftercase and last evening. The bouse of James Ward was a struck by lightning and burned. At Waverly there was a cloud borst and the streets and many cell are were fleeded, doing, much damaga. At Leroyaville ten cows were killed by lightning; while standing under a tree, sling Rogs, a farmer who lived near Nich-cius, N. Y., was killed by lightning while seeking abelter under a tree, superlutendent of the only mill of the Esstern Manufacturing Jumpany for some time, has finished his labors for that company and resignet, as he has to superintend the building of the new pulp mill at Howland, of which he is to be the superintendent. Mr. Davis resigned some surerintendent could be engaged, and Mr. Boter Roe, Jr., who came here a short time ago to be chemist, has been engaged as superintendent. Major I aris leaves coday for Howland.

> Considerable excitement was created Thursday evening by the remen that the sale erackers had been caught and were belt in Bangor. The rumor started from a telephone to City Marsha Zunt to go to Jones, the blacksmith, to identify the men ble. It will be remembered that the day before the burgla y. Mr. Jones sharpened a drillifor a strenger. It was found on investigation, that neither of the men held by the Bangor officers hore a re-

electric railway came to in abrupt and, houses on that side of the street and which The part already dug wet laid with rails

will build on them both. Mr. Chapman, formerly, of Amberst, has bought a lot and will build this summer. Mr. Daniel Nickerson, Mr. Daniel Honges, Mr. Fred Puffer, Mr. A. Gratto, Mr. Will Nutter, Messre. Ell and George Taylor and Mr. Henry, Abbot, have each secured nice lots recessiy and will build the coming season, some of them having already began and others about to begin.
